

MEMORY CARD GAME RULES

Quick, Simple and Illustrated

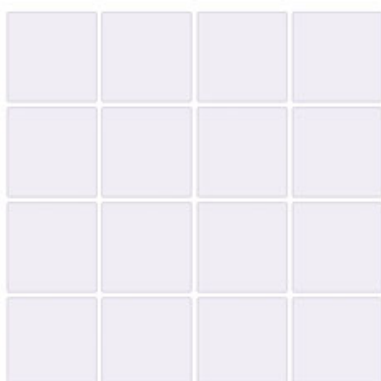

Step 1 : Beginning of the game

At the beginning of the game, all the cards are mixed up and laid in rows, face down on the table.

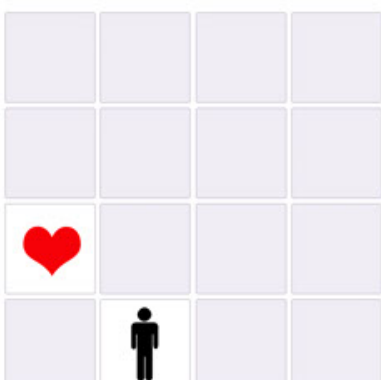

Step 2 : Player 1

The player 1 starts and turns over two cards.

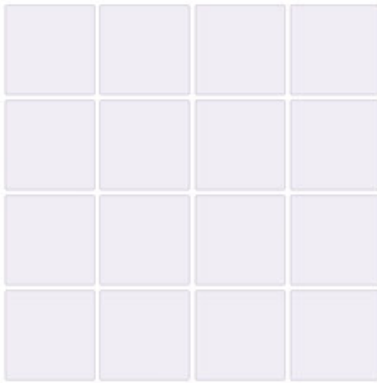

Step 3 : Player 1

In this case, the cards don't match, it's not a pair, so he turns them back over.

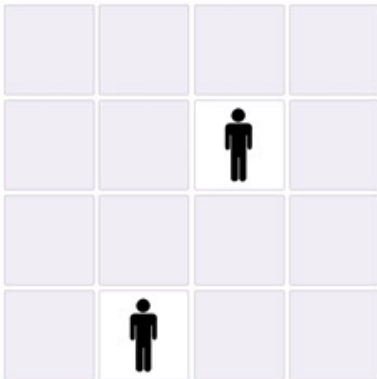

Step 4 : Player 2

It's then the turn of the player 2 to turn over two new cards.

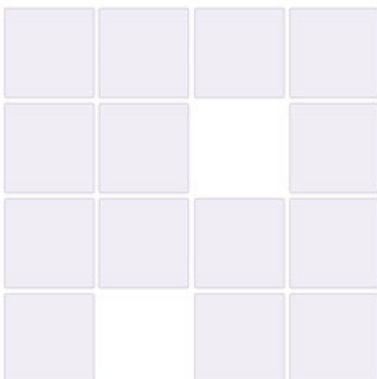

Step 5 : Player 2

As the cards don't match, it's not a pair, so he turns them back over.

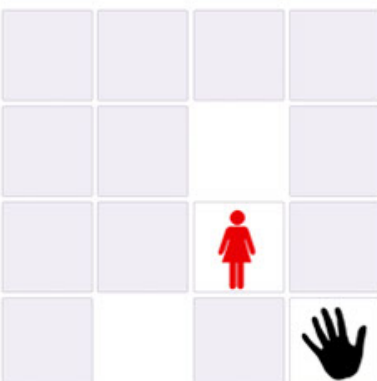

Step 6 : Player 1

It's then the turn of the player 1 (for a two-player game) or the turn of the player 3 (if more than 2 players). Here the player remembered the position of the cards and he turns over the two identical cards.

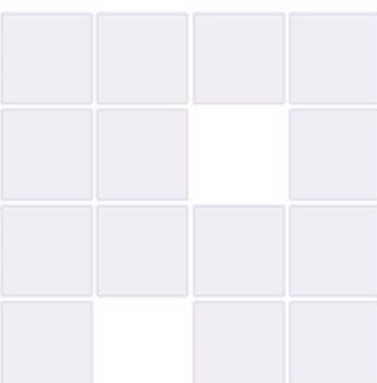

Step 7 : Player 1

The two cards match, it's a pair! He keeps the cards and can play again...

Step 8 : Player 1

Player 1 turns over two other cards.

Step 9 : Player 1

The two cards doesn't match. It's the turn of the player 2, and so on...

When the players have found all the pairs, the game is over. The player with the most cards wins!
